

Construction Activity for February 20-26, 2012

Duck Pond Stormwater Improvement Project

30th Street Stormwater Force Main

Pipe installation activity continues on 30th Street. Please use caution while driving in this area.

Road closures and detours

- The two southern travel lanes and center turn lane of 30th Street are closed from just south of Bougainvillea to 99th Avenue. One lane of northbound and southbound traffic will be maintained in the two easternmost lanes.
